COLLEGE REQUIREMENTS

College of Computing and Information Sciences (CCIS)

Program offerings:

1. Bachelor of Science in Computer Science (Application Development Elective Track)
2. Bachelor of Science in Information Technology (Information and Network Security Elective Track)
3. Bachelor of Science in Information Systems
4. Diploma in Application Development
5. Diploma in Computer Network Administration

Program Requirements:

1. Bachelor of Science in Computer Science
    A. UMak examination ratings
        - ➢ Low average to Excellent
    B. GWA, subject grades, and senior high school track
        - ➢ 85% and above GWA
        - ➢ No grades lower than 85% in Mathematics
        - ➢ No grades lower than 83% in English
        - ➢ Preferably STEM or ICT track
    C. Requirements for transferees/shifters
        - ➢ 2.00 (85% to 87%) GWA
        - ➢ No failing, officially or unofficially dropped, or incomplete grade in IT or Computing courses (subject for approval, max of 3)
    D. Requirements for 2nd coursers
        - ➢ TOR evaluation/validation
        - ➢ 2.00 (85% to 87%) or higher GWA
2. Bachelor of Science in Information Technology
    A. UMak examination ratings
        - ➢ Low average to Excellent
    B. GWA, subject grades, and senior high school track
        - ➢ 85% and above GWA
        - ➢ No grades lower than 85% in Mathematics
        - ➢ No grades lower than 83% in English
        - ➢ Preferably STEM or ICT track
    C. Requirements for transferees/shifters
        - ➢ 2.00 (85% to 87%) GWA
        - ➢ No failing, officially or unofficially dropped, or incomplete grade in IT or Computing courses (subject for approval, max of 3)
    D. Requirements for 2nd coursers
        - ➢ TOR evaluation/validation
        - ➢ 2.00 (85% to 87%) or higher GWA
3. Bachelor of Science in Information Systems
    A. UMak examination ratings
        - ➢ Low average to Excellent
    B. GWA, subject grades, and senior high school track
        - ➢ 85% and above GWA
        - ➢ No grades lower than 85% in Mathematics
        - ➢ No grades lower than 83% in English
    C. Requirements for transferees/shifters
        - ➢ 2.00 (85% to 87%) GWA
        - ➢ No failing, officially or unofficially dropped, or incomplete grades in IT or Computing courses (subject for approval, max of 3)
    D. Requirements for 2nd coursers
        - ➢ TOR evaluation/validation
        - ➢ 2.00 (85% to 87%) GWA

4. Diploma in Application Development
    A. UMak examination ratings
        ➢ Below average to Excellent
    B. GWA, subject grades, and senior high school track
        ➢ 80% and above GWA
    C. Requirements for transferees/shifters
        ➢ N/A
    D. Requirements for 2nd coursers
        ➢ N/A
5. Diploma in Computer Network Administration
    A. UMak examination rating
        ➢ Below average to Excellent
    B. GWA, subject grades, and senior high school track
        ➢ 80% and above GWA
    C. Requirements for transferees/shifters
        ➢ N/A
    D. Requirements for 2nd coursers
        ➢ N/A

OTHER COLLEGES AVAILABLE

1. College of Continuing, Advanced and Professional Studies (CCAPS)
2. Institute of Arts and Design (IAD)
3. College of Business Administration (CBA)
4. Institute of Accountancy (IOA)
5. College of Computing and Information Science (CCIS)
6. College of Human Kinetics (CHK)
7. College of Governance and Public Policy (CGPP)
8. Institute of Nursing (ION)
9. Institute of Imaging Health Sciences (IIHS)
10. College of Innovative Teachers Education (CITE)
11. College of Science (COS)
12. College of Tourism and Hospitality Management (CTHM)
13. Institute for Disaster and Emergency Management (IDEM)
14. College of Engineering and Technology (CET)
15. School of Law
16. College of Innovative Teachers Education - Higher School ng UMak
